

What you need to know for

Hello all. I can't tell you how excited I am to be able to get us all back together in a socially responsible format. We are planning several "Drive-in" church services to be held in the park. See the map below for the location and look for signs placed in the park. Since the Covid-19 virus is still around, please be respectful and adhere to the guidelines that we have mentioned below. The first Drive-in service will be on June 28th at 10:00 AM (weather permitting). We will try to also live stream the service through Facebook if you are not able to attend. We are planning Drive-in services for the next several weeks, but we may look at having them on Saturday or Sunday evenings due to the heat. We will announce those as we get closer.
